## Kelly Elementary

### Inclement Weather

As you know, winter is the time of year for treacherous, inclement weather. Temperatures get bitter cold and the elements chill us to the bone! If the temperature or wind chill is below freezing, or if playgrounds are ice or snow covered, students have indoor recess. However, if the temperatures or wind chill rises above freezing, and the playground is clear, students will have outdoor recess. In addition to recess, students must wait for periods of time at the bus stop. Please make sure your child wears a coat to school and is dressed appropriately for the temperature.

If we must dismiss early or cancel school, you will receive notification on KFVS12 news, our school website, or be notified on our school app and also by phone.

#### Important Dates
