

(Parent Teacher Organization)

WHY:

1. YOUR CHILD BENEFITS.

Research shows that building parent involvement in education is the number one thing we can do to create a great school and improve student performance.

2. WE MAKE A DIFFERENCE.

We help create learning opportunities for children, building the kind of supportive, caring atmosphere that makes school fun.

3. WE HAVE FUN.

We share a common bond & enjoy working together, being respectful of our busy schedules.

4. YOU'RE NEEDED.

These days, schools are asked to do more with less. Our help is needed more than ever to fill the gaps.

PTO gives parents a platform to become involved in their child's educational experience!

Our PTO meets once every other month during the school year. Even if you can't attend the meetings, there are MANY other ways to be active in our PTO! Please join us as we work together to enhance the educational experience at Kelly Elementary!
