Dr Bradley Kolwyck, Superintendent

Thursday, August 12, 2021

Dear Parent(s)/Guardian(s):

In the spring, your child participated in the Missouri Assessment Program (MAP) Grade Level Assessments. The MAP Assessments evaluate students' progress and mastery of the Missouri Learning Standards. The MAP Grade-Level Assessments include assessments in the subject areas of Communication Arts and Mathematics for grades 3-8 and Science for grades 5 and 8. The MAP Grade-Level Assessments provide important information that contributes to decisions concerning individual students, groups of students and educational programs.

We just received the Individual Student Reports (ISRs) from Data Recognition Corporation, our testing vendor. The Individual Student Report includes an Achievement Level, which will describe your student's performance as Below Basic, Basic, Proficient, or Advanced. The report will also include a short description of the knowledge and skills that are typically demonstrated by students in each Achievement Level. The Individual Student Reports (ISRs) will be available for you to pick up at your child's Parent Teacher Conference on October 28th. If you would like for your child's Individual Student Report to be sent home prior to that time, please notify your child's teacher or the school office to request the report to be sent home with your child.

While the MAP Grade-Level Assessment results provide valuable information, it is important to remember that these results are only one indicator of your child's academic performance and represent only a portion of the larger educational picture of your child.

Thank you,

Christina Dodd
