I give permission for my child to participate in the Summer School Field Trips. It is my responsibility to contact the school nurse to inform her if my child has any condition or if he or she requires medication. I do realize that the bus routes are limited and that the bus may or may not come directly to my house. I have read the bus routes and will have my child at a designated pick up. The bus will be leaving the school in the morning to start the route at 7 a.m. The bus will be leaving the school in the afternoon at 3:15 p.m. I understand that the Kelly Summer School Program is Free and that ALL students will receive Free Breakfast and Free Lunch. I may purchase a t-shirt for my child if I desire, but this is not a requirement.

Parents,  
The students will be fed a FREE breakfast and a FREE lunch. This is a great chance for your child to spend time with their friends while they brush up on some basic skills along with learning some really neat things that are not taught during the regular school year. This program will get your child up off of the couch and out into the fresh air, keeping them happy, healthy and having fun!

Send in the registration form on the back of this brochure!

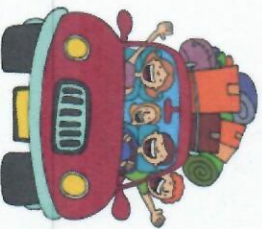

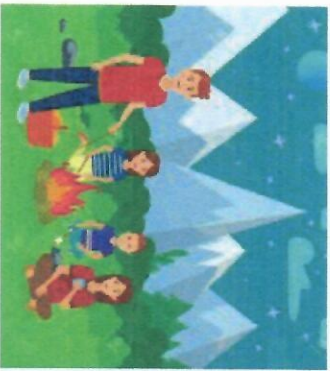

## SUMMER SCHOOL SCHEDULE

This year's theme will be **Kelly Summer School—Where Will It Take You?** The focus will allow students to breakout of their normal mind set and routine by providing opportunities to participate in exploring Science, Math, Social Studies and Language around the Vacation Theme.

We have planned exciting activities for students to discover the different opportunities they each have in the world around them. Students will have their interest sparked by participating in hands-on learning, receiving special demonstrations, classroom experiments, or thought provoking activities.

Weekly field trips will be provided along with other awards as part of our summer school program. **There will be weekly cash drawings and one final cash drawing for perfect attendance.** The field trips will be for students who work hard to improve their skills, exhibiting good behavior and maintaining good attendance. Students will work together, help each other, build a sense of citizenship, learn to respect others and help make Kelly a better school community. Most importantly, students will learn ways they too can use their education to brighten their own future.

Take this opportunity to come to Kelly Summer School with your friends! Experience the joy of play, the power of service and learn how to use your brain to build 21st century skills. Please join us for an action packed, fun-filled, extraordinary journey! Sign up for your next adventure with **Kelly Summer School—Where Will It Take You?**
